2019-2020 QUARTER 2 ENRICHMENT DESCRIPTIONS

October 15, 2019-December 20, 2019, Tuesdays - Fridays 3:30-4:45pm

Enrollment in enrichment academies is based on “**first-come, first-served.**” Students are enrolled in enrichments in the order they sign up online and return their schedule with parent signature. If an enrichment is full, students are able to select a second or third choice so that they may still participate in an enrichment offering. **When students have 3 absences or 3 early sign-outs from an enrichment, or 2 late pick-ups their spot will be given to someone on the wait list.**

<p>Soccer – Offered on Tuesdays Instructor: Mr. Wishnow Soccer is the most popular sport on Earth. Over the years it has brought about rivalries, traditions, happiness, sadness, but most of all nationalism on a global scale. This enrichment will provide students the opportunity to not only play and understand the fundamentals of soccer, but to comprehend its historical significance to the world through discussion. BPA Prep Scholar Attributes will be integrated into this enrichment. Connection to Standard PE.8.L.3.2, PE.8.L.3.3, PE.6.M.1.3</p>	<p>FIFA Tournament – Offered on Tuesdays Instructor: Mr. Alava This club will house 16 students to play in a football tournament. Through the game, students will practice appropriate strategies and skills for overcoming their opponent’s skill set through a virtual simulation. Students will also use appropriate sportsmanship and develop a sense of teamwork by participating on the FIFA tournament. Connection to Standard PE.912.M.1.10</p>	<p>Work Hard, Play Hard – Offered on Wednesdays Instructor: Ms. Soriano Students will engage in academic online games with a focus on Civics, Math, Science, and ELA. This enrichment is so fun you won’t realize how hard you’re working and how much you’re learning! Connection to Standard SS.7.C.1.4</p>
<p>Strategic Games – Offered on Wednesdays Instructor: Mr. Holmes Do you like competing? Do you enjoy playing games? Do you enjoy a challenging mind game of strategy where you have to outthink your opponent? If so, this enrichment is for you! Come enjoy some friendly competition while playing Uno, Pokémon, Mind Craft, Dimension U, Jenga, Monopoly and much more! Join your peers in a riveting game where not only can you play one-on-one matches but teams too! Connection to Standard LAFS.7.SL.1.1, MAFS.7.EE.2.3</p>	<p>Golf – Offered on Tuesdays and Thursdays Instructor: Mr. Brown Students will learn the fundamentals of golf, its etiquette, and history. Students will also learn how to play while they participate in field trips, attend golf tournaments, and become part of the First Tee of Tampa Bay. The First Tee program’s 9 core values are incorporated into the program. <u>Must complete application packet with Mr. Brown or Coach Hurley.</u> Connection to Standard PE.7.C.2.1, PE.6.R.5.5</p>	<p>Chess, Checkers and Ping Pong – Offered on Tuesdays and Thursdays Instructor: Mrs. Wilson Students will rotate through the games of Chess, Checkers, and Ping Pong in the Clubhouse. While this is an all-levels club, we will be engaging in some team chess challenges, as well as a virtually challenging opponents, so some chess knowledge will be beneficial. This club will require you to challenge and hone not only your chess skills, but also your interpersonal skills and how you communicate good sportsmanship with your peers. Connection to Standard MAFS.K12.MP.1.1, MAFS.K12.MP.3.1, SP.PK12.US.22.1</p>

<p>Improv – Offered on Tuesdays, Wednesdays and Fridays Instructor: Ms. Alvarez</p> <p>The focus of this enrichment is to build confidence, practice communication skills like listening, teamwork, and public speaking, and to connect and create with friends. Students will learn the rules of improv, performance techniques, and short-form improv games (like Whose Line is it Anyway?) in a fun, supportive environment. Students will perform in a showcase on the final day of enrichment.</p> <p>Connection to Standard LAFS.6.SL.2.6</p>	<p>Multi-Sport – Offered on Tuesdays & Thursdays Instructor: Mrs. Bird</p> <p>Students will rotate between multiple sports and develop the skills to participate in basketball, flag football, and soccer.</p> <p>Connection to Standard PE.7.C.2.9, PE.7.C.2.1 , PE.6.M.1.2</p>	<p>Madden Tournament – Offered on Wednesdays Instructor: Mr. Alava</p> <p>Students will play in a football tournament through the video game. Students will practice appropriate strategies and skills for overcoming their opponent’s skill set through a virtual simulation. Students will also use appropriate sportsmanship and develop a sense of teamwork by participating on the madden tournament.</p> <p>Connection to Standard PE.912.M.1.10</p>
<p>Get Fit – Offered on Wednesdays Instructor: Mrs. Bird</p> <p>Students will participate in various forms of core-strengthening exercises. Get ready to get stronger and develop increased endurance!</p> <p>Connection to Standard PE.6.L.3.1</p>	<p>Movie Club – Offered on Thursdays Instructor: Ms. Dillehay</p> <p>Students will watch films to identify the elements of plot. The films will vary. A signature from the parent for this enrichment is allowing permission for the student to view the films.</p> <p>Connection to Standard LAFS.6.RL.3.7</p>	<p>2K Tournament – Offered on Thursdays & Fridays Instructor: Mr. Alava</p> <p>Students will play in a basketball tournament through the video game. Students will practice appropriate strategies and skills for overcoming their opponent’s skill set through a virtual simulation. Students will also use appropriate sportsmanship and develop a sense of teamwork by participating on the 2K tournament.</p> <p>Connection to Standard PE.912.M.1.10</p>
<p>Trivia – Offered on Fridays Instructor: Mr. Silva</p> <p>Students will participate in a trivia game with various questions from history.</p> <p>Connection to Standard SS.8.A.3, SS.8.A.4</p>	<p>Basketball – Offered on Fridays Instructor: Mrs. Bird</p> <p>Students will learn the game of basketball by working on drills and playing in a game setting. This enrichment is great for any skill level, from learning the game of basketball to fine tuning your basketball skills.</p> <p>Connection to Standard PE.7.M.1.1, PE.7.C.2.1, PE.6.R.5.5</p>
